

October 2009 Employee of the Month

Ramon Garza, Professional Supervisor/Pump Stations
Homestead Field Station Division

Ramon Garza is being recognized for his excellent performance as the Homestead Field Station Pump Station's Supervisor. His accomplishments and abilities far exceeded established standards in mission execution and leadership.

Ramon ensured the Homestead Field Station effectively executed the pumping & maintenance mission requirements for the District while coordinating operations with stakeholders, United States Army Corps of Engineers, and contractors to enable progress of ongoing construction projects in the area over the last two years.

He also coordinated construction on a wide range of scopes on 9 United States Army Corps of Engineers projects totaling over \$54 million. He was successful in coordinating operations with 4 prime contractors and 45 sub contractors so that the United States Army Corps of Engineers could meet their mission in building Modified Water Deliveries in South Dade County and still meet District objectives in operating the system.
