

**Denial Recommendations Variance Log Report for January 2008 Governing Board**

12/31/2007

#	Var No	Project Name	Date Received	Default Date	County	Status	Staff Text
1	4333	Cloverfield Homeowners Association	12/3/2007	12/17/2007	PALM BEACH	DENIED	Application is recommended for denial as it is not needed. The applicant is a HOA with a central irrigation system. The water shortage restrictions allow HOAs with over 5 acres of irrigated property and systems that irrigate both odd and even addresses to have 16 hours to complete an irrigation cycle and the odd/even addresses can be watered on the same day.
