

**SOUTH FLORIDA WATER MANAGEMENT DISTRICT  
RESOLUTION NO. 2010-\_\_\_\_**

**A RESOLUTION OF THE GOVERNING BOARD OF THE SOUTH  
FLORIDA WATER MANAGEMENT DISTRICT SUPPORTING THE  
GOVERNOR DESIGNATING MAY 16-22, 2010 AS WATER  
REUSE WEEK IN FLORIDA; PROVIDING AN EFFECTIVE DATE.**

**WHEREAS**, safe, clean, and sustainable water resources are essential to Florida's environment, economy, citizens, and visitors, and

**WHEREAS**, water reuse provides a means for conserving and augmenting Florida's precious water resources, and

**WHEREAS**, Florida has established the encouragement and promotion of water reuse as state objectives in Chapters 373 and 403, Florida Statutes, and

**WHEREAS**, Florida's permitted reuse capacity exceeds 1.5 billion gallons per day (66 percent of Florida's total permitted treatment capacity for all domestic wastewater treatment facilities), and Florida has risen to be the national leader in water reuse, and

**WHEREAS**, there are over 100 reuse systems in the South Florida Water Management District that are reusing over 230 million gallons per day of reclaimed water for a beneficial purpose including irrigation of golf courses, residential lots and other green space, ground water recharge, environmental enhancement and industrial purposes, and

**WHEREAS**, there is over 530 million gallons per day of potentially reusable water that is currently being disposed of through ocean discharge or down deep injection wells based on existing effluent disposal practices within the boundaries of the South Florida Water Management District, and

**WHEREAS**, the State of Florida has designated May 16-22, 2010 to be Water Reuse Week in Florida, and

**WHEREAS**, South Florida Water Management District has joined with the State of Florida, the Florida Department of Environmental Protection, and other municipalities in encouraging and promoting water reuse and conservation, and

**WHEREAS**, South Florida Water Management District has implemented an alternative water supply funding program to provide financial assistance to

entities developing alternative water supplies including water reuse; has funded studies and pilot programs to promote innovative treatment technologies; has engaged in innovative uses and application of reclaimed water; promotes and encourages efficient and effective use of reclaimed water, and

**NOW THEREFORE, BE IT RESOLVED THAT BY GOVERNING BOARD OF THE SOUTH FLORIDA WATER MANAGEMENT DISTRICT:**

**Section 1.** The Governing Board of the South Florida Water Management District hereby supports the Resolution of the Governor designating May 16-22, 2010 as **WATER REUSE WEEK** in Florida and

**Section 2.** The Governing Board of the South Florida Water Management District encourages all local governments and utilities to endorse and implement water reuse programs and all citizens and businesses to help protect our precious water resources by practicing water conservation, use water more than once and to use reclaimed water in an efficient and effective manner.

**PASSED** and **ADOPTED** this 13th day of May, 2010.
