Dear Ms. Corry,

Per the request from Christopher Marsh, P.E. with the Village of Royal Palm Beach, I am approving the change of scope for the Village of Royal Palm Beach CBIR. The original scope involved the construction of 24 acres of wet detention, installation of 5000 feet of pipe, sod and irrigation for a total project cost of \$2,630,000.00. Per the email from Mr. Marsh, the revised scope for Royal Palm Beach Commons involves the construction of 22.08 acres of new wet detention, removal of contaminated soil, installation of 3000 feet of pipe, sod and irrigation for a total cost of \$3,000,000.00.

If I can be of additional assistance please contact me at 850-245-8682 or by email at heather.ritchie@dep.state.fl.us.

Sincerely,

A handwritten signature in cursive script that reads "Heather Ritchie".
