

1 (2) The Executive Director of the South Florida Water Management District, or her  
2 designee, is hereby authorized to request reimbursement of the funds on a quarterly basis. The  
3 quarterly request to the Department of Environmental Protection will be in invoice format for the  
4 actual expenditures incurred by the South Florida Water Management District for that preceding  
5 quarter.

6 (3) The management of these lands is consistent with the District's Florida Forever Work  
7 Plan adopted December 13, 2007.

8 (4) The funds requested shall be used only to provide management, maintenance and  
9 capital improvements for the lands titled to the District, or for purposes consistent with the provisions  
10 of s. 373.0361, s. 373.0831, s. 373.139, or ss. 373.451-373.4595, Florida Statutes, or for legislatively  
11 authorized land acquisition and water restoration initiatives.

12 (5) The proposed use of the requested moneys is consistent with Section 373.59, Florida  
13 Statutes, and Chapter 62-402, Florida Administrative Code.

14 (6) Any revenue derived from the use and management of lands shall be utilized for pre-  
15 acquisition costs, acquisition costs, management, maintenance and capital improvement costs, for  
16 payment of debt service on land acquisition bond issues as provided in Rule 62-402.060, Florida  
17 Administrative Code, and for other purposes where specified by state law.

18 (7) It hereby certifies that these moneys are needed to reimburse the District for  
19 expenditures during the District's Fiscal Year 2009 (October 1, 2008 – September 30, 2009) and that  
20 these moneys have been or will be used:

21 (a) to manage and maintain the lands in an environmentally acceptable manner and, to  
22 the extent practicable, in such a way as to restore and protect their natural state and  
23 condition;

24 (b) to develop management plans, which include an evaluation of the resource value,  
25 environmental sensitivity and recreational suitability of these lands;

26 (c) to make available to the public those lands suitable for general public recreational  
27 purposes, unless such use is demonstrated to be incompatible with the purposes for  
28 which the lands were acquired.

29 (d) for purposes consistent with the provisions of s. 373.0361, s. 373.0831, s. 373.139, or  
30 ss. 373.451 – 373.4595, and for legislatively authorized land acquisition and water  
31 restoration initiatives.

32 (8) The designated management agencies for these activities are:

33 a) South Florida Water Management District

34 b) Florida Fish and Wildlife Conservation Commission

35 c) Department of Environmental Protection

36 d) United States Fish and Wildlife Services
