

1 (2) The Executive Director of the South Florida Water Management District, or
2 designee, is hereby authorized to request reimbursement of the funds on a quarterly basis. The
3 quarterly request to the Department of Environmental Protection will be in invoice format for the
4 actual expenditures incurred by the South Florida Water Management District for that preceding
5 quarter.

6 (3) The management of these lands is consistent with the District's Florida Forever
7 Work Plan adopted February 9, 2012.

8 (4) The funds requested shall be used only to provide management, maintenance and
9 capital improvements for the lands titled to the District, or for purposes consistent with the
10 provisions of s. 373.709, s. 373.705, s. 373.139, or ss. 373.451-373.4595, Florida Statutes, or for
11 legislatively authorized land acquisition and water restoration initiatives.

12 (5) The proposed use of the requested moneys is consistent with Section 373.59,
13 Florida Statutes, and Chapter 62-402, Florida Administrative Code.

14 (6) Any revenue derived from the use and management of lands shall be utilized for
15 pre-acquisition costs, acquisition costs, management, maintenance and capital improvement
16 costs, for payment of debt service on land acquisition bond issues as provided in Rule 62-
17 402.060, Florida Administrative Code, and for other purposes where specified by state law.

18 (7) It hereby certifies that these moneys are needed to reimburse the District for
19 expenditures during the District's Fiscal Year 2013 (October 1, 2012 – September 30, 2013) and
20 that these moneys have been or will be used:

21 (a) to manage and maintain the lands in an environmentally acceptable manner and,
22 to the extent practicable, in such a way as to restore and protect their natural state
23 and condition;

24 (b) to develop management plans, which include an evaluation of the resource value,
25 environmental sensitivity and recreational suitability of these lands;

26 (c) to make available to the public those lands suitable for general public recreational
27 purposes, unless such use is demonstrated to be incompatible with the purposes
28 for which the lands were acquired;

29 (d) for purposes consistent with the provisions of s. 373.709, s. 373.705, s. 373.139,
30 or ss. 373.451 – 373.4595, and for legislatively authorized land acquisition and
31 water restoration initiatives;

32 (e) for payment of debt service on land acquisition bond issues as provided in Rule
33 62-402.060, Florida Administrative Code.

34 (8) The designated management agencies for these activities are:

- 1 a) South Florida Water Management District
- 2 b) Florida Fish and Wildlife Conservation Commission
- 3 c) Department of Environmental Protection
- 4 d) United States Fish and Wildlife Services
