Contractor's Pre-solicitation Workshop

The South Florida Water Management District (District) will be conducting a Pre-solicitation Workshop for the construction industry. The purpose of this workshop is to provide information on upcoming District solicitations and to register potential vendors for the District.

The South Florida Water Management District purchases goods and services from vendors throughout the state and nationwide. We also enter into contracts with a wide variety of businesses and individuals for a broad spectrum of products and services. These purchase orders and agreements are governed by the agency's commitment to quality, cost effectiveness, efficiency and fairness in a competitive arena, as well as adherence to applicable statutes, rules and regulations. The integrity of our procurement process is of the utmost importance to our organization.
