

Readers,

This DRAFT for review is the Agency Technical Review Draft of the Comprehensive Everglades Restoration Plan Master Recreation Plan, (MRP). This Agency Technical Review Draft will be reviewed and discussed at the next Water Resources Advisory Commission Recreational Issues Workshop. This public meeting will be held on June 15, 2009, from 5pm to 8pm, at the District headquarters auditorium located at 3301 Gun Club Road, West Palm Beach, Florida.

SFWMD and the US Army Corps of Engineers staff will present the document, providing an overview. This discussion will aid staff members in preparing their respective agency comments to the draft MRP.

Workshop attendees are encouraged to read the document in advance and bring prepare comments to this initial draft discussion for staff consideration. A later draft will reflect any changes and will once again be available during a public comment period starting late August.

To make written comments or for any additional information please e-mail Jerry Krenz at jkrenz@sfwmd.gov or mail comments to: SFWMD, 3301 Gun Club Road (MS 7320), West Palm Beach, FL 33416-4680. Written comments to this draft are due on or before July 13, 2009.

This is a large document and can be viewed on line or downloaded in chapters.
