A photograph of a construction site. In the foreground, there are several large, conical piles of light-colored sand or gravel. A dirt road or driveway runs across the middle ground. In the background, there are several large, leafy green trees. A green car is partially visible behind the trees. In the bottom right corner, a handwritten sign is attached to a wooden post. The sign has two lines of text: "MD-151" on the top line and "PEARY CT." on the bottom line. To the left of the sign, there are several black wooden posts connected by a red plastic safety fence.
