

Ten Mile Creek Water Preserve Area Post-Authorization Change Report Project and Lands Committee April 14, 2010

*Paul A. Warner, Chief Scientist
Federal and State Policy Division
Everglades Restoration and Capital Projects*

Governing Board Resolution **Approved January 14, 2010**

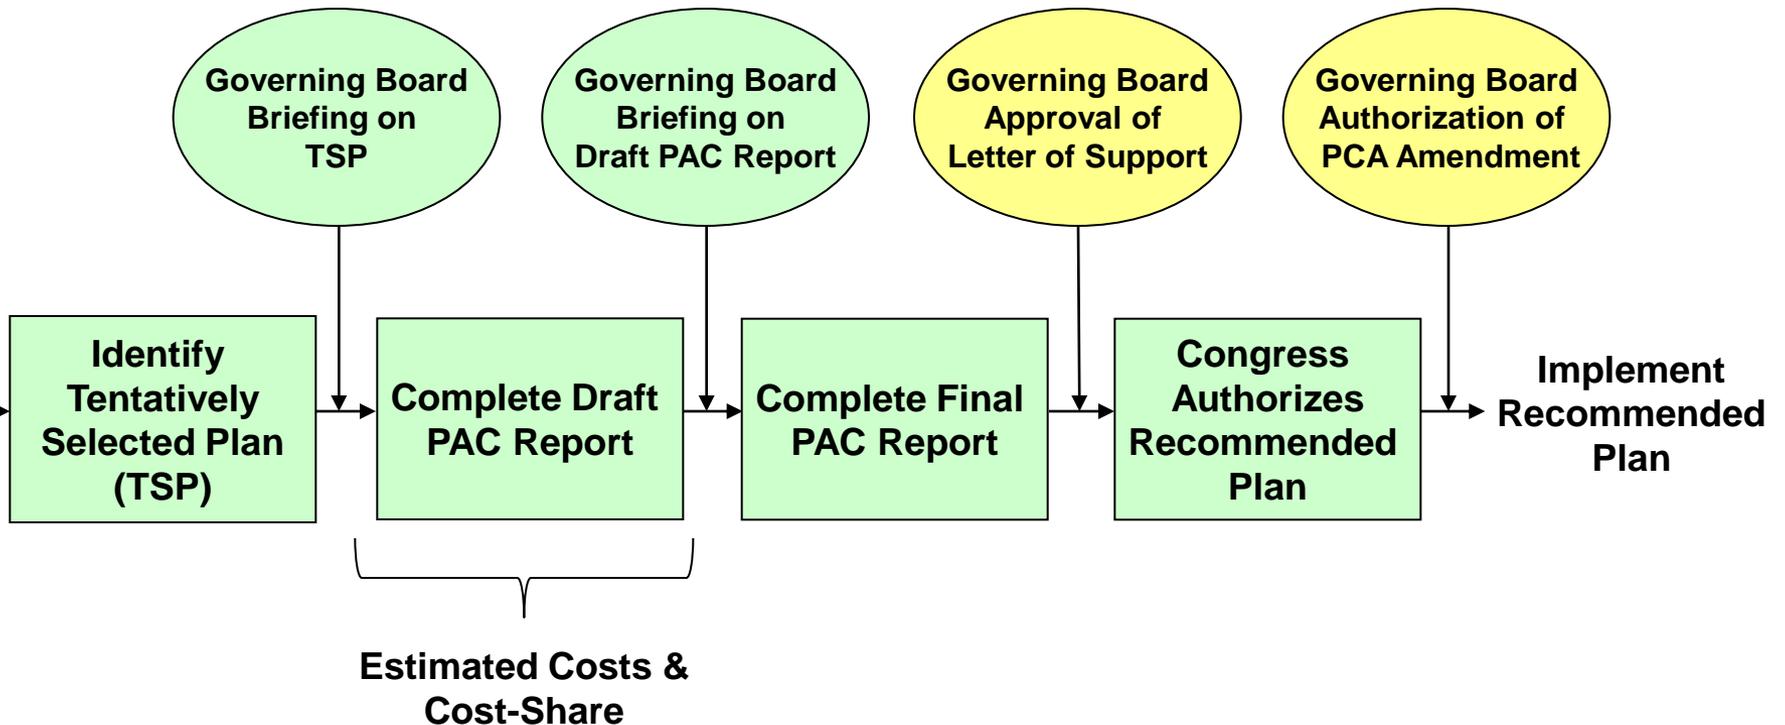

- A Resolution of the Governing Board of the South Florida Water Management District authorizing FY10 funding in the amount of \$1,000,000 as the South Florida Water Management District's 50% cost share contribution towards the Ten Mile Creek Water Preserve Area Critical Restoration Project's remediation effort and approving a budget transfer in the amount of \$1,000,000 of ad valorem funds (Okeechobee Basin Capital Fund) from the Operations and Maintenance Resource Area, Operations and Maintenance Program to the Everglades Restoration and Capital Projects Resource Area, CERP Program; providing an effective date.

Proposed Letter to the U.S. Army Corps of Engineers

- Governing Board approved a resolution authorizing a cash contribution of up to \$1,000,000.
- “However, the Governing Board’s resolution is contingent upon receiving written confirmation from the Corps that the SFWMD’s agreement to cost-share on development of the Post-Authorization Change Report does not commit the SFWMD to provide cost-share on implementing the recommended plan.”
- “The SFWMD reserves the right to decide whether to be a cost-sharing partner for implementation of the recommended plan until after the study is completed.”

Governing Board Involvement in Development and Implementation of PAC Report

New Cooperative Agreement

- **New Agreement to cover costs of:**
 - **Development and evaluation of alternatives**
 - **Development of the Post-Authorization Change Report**
 - **Minimal caretaker maintenance by the USACE of the existing Ten Mile Creek facilities**
- **Cost-share 50-50 in accordance with WRDA 1996 authority**
- **SFWMD to contribute up to \$1 million in cash and/or “In-Kind Work”**
